6. [REDACTED] LIAISON Met with Tom Connaughton, Senator Birch Bayh's (D., Ind.) designee on the Senate Select Committee on Intelligence. Connaughton said he had received his clearances and would be officially transferred to the staff of the Select Committee within the next week. I asked him about the work of the Subcommittee on Intelligence and the Rights of Americans, which Senator Bayh chairs, and told him I would like to meet with him regarding what support the Agency could give the Subcommittee once the Subcommittee gets underway. Connaughton asked me to provide the first name of the wife of an Agency official whom Senator Bayh had met on his recent trip. Connaughton also said Senator Bayh had found his trip very educational and that the trip had gone very smoothly. I told Connaughton that since this was the first overseas trip of an SSCI member, we would like the opportunity to speak with the Senator about his impressions.

7. [REDACTED] LIAISON Called Ronald Kienlen, OMB, to inform him the Agency had no problems with the proposed Executive order entitled "Amending Executive Order No. 10973, Relating to Administration of Foreign Assistance and Related Functions; Revoking Executive Order 11501, Relating to Foreign Military Sales; and Providing for the Administration of Arms Export Controls."

8. [REDACTED] AGENCY VISIT Called Clair Hoffman, GAO, and arrangements were made for Hoffman and Mario Petrucelli, also of GAO, to visit NPIC on Monday at 0900 hours to evaluate the effectiveness STAT of our silver recovery program. [REDACTED] NPIC, was advised.

9. [REDACTED] LEGISLATION Called Bernard Martin, OMB, and Bill Skidmore, Legislative Affairs, Department of Commerce, concerning S. 3664, a bill to amend the Securities Exchange Act of 1934 to require issuers of securities registered pursuant to Section 12 of such Act to maintain accurate records, to prohibit certain bribes, and for other purposes. Skidmore suggested that I contact J. T. Smith, General Counsel, Commerce Department, to learn the current state of play.

12. [REDACTED] LEGISLATION Called Mr. Franz Oppen,

Mr. Oppen confirmed that the Senate had begun floor consideration of S. 3664, Senator William Proxmire's (D., Wis.) foreign payments bill and probably would complete action on the bill tomorrow. Mr. Oppen did not know in what form the Senate bill would make it to the House (as a separate bill or as a rider to a House bill). Mr. Oppen did state, however, that the Consumer Protection and Finance Subcommittee would be holding hearings on this matter 21 and 22 September.
